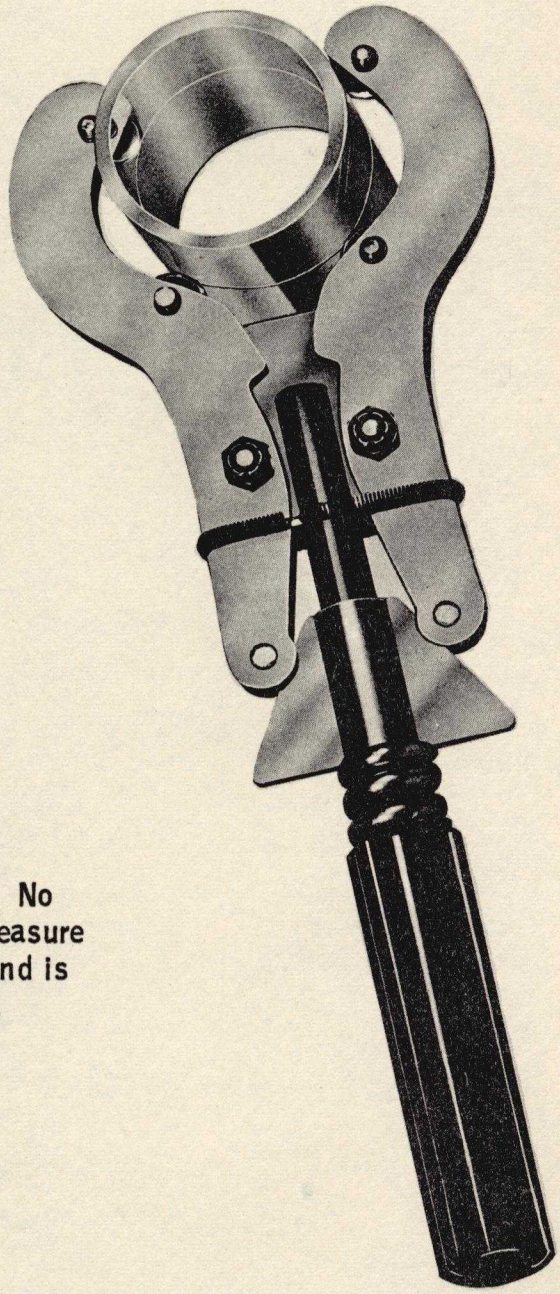
MUFFLER - TAIL-PIPE CUTOFF TOOL

MT-3



The MT3 is lightweight - expands by turning the operating handle, no clamps or other locking devices.

Because it's simple, quick to set up on the work, and four knife-edged cutting wheels cut fast, quick and clean. No crushing nor mashing nor rolling under.

Quickest, neatest muffler tool on the market. No scratched knuckles or smashed fingers. A pleasure to use. Saves money because it works fast and is accurate. Does the job exactly right the first time.

MT3, Cutoff Tool complete, 1 1/4 lbs., list price $9.95
MT4W, Set of four Cutter Wheels, 2 ozs., list price $2.00
